VOL 1 — Yu Hyun Suk

YU HYUN SUK

So Lub Me is finally out... Will this really be published... Even I was doubtful and wanted to stop. I personally felt that much was lacking, so I am half excited and half anxious.

Although it's only a beginning, I will have plenty of chances to improve which should be my consolation... If you are reading this, please enjoy and I hope you feel happy for once when you're reading then... ^^ (bow)
